

Building a Culture of Compassion

through Trauma-Informed Practices

**It's time to get back together!
Join us at our first in-person event since 2019.**

Wellbeing, mental health, SEL, and trauma-informed practices are critical topics across schools and districts. Join us to hear from Dr. Richard Booth and Malika Ali as they weave together research, stories, classroom strategies, and systems to support compassionate community-building.

Supports Professional Growth Goals (PGGs)

Dr. Richard Booth
